Dear Sir or Madam:

On behalf of the Rolling Knolls Landfill Settling Parties, ARCADIS U.S., Inc. (ARCADIS) submits this Freshwater Wetlands General Permit Number 14 (GP-14) Equivalency to the New Jersey Department of Environmental Protection (NJDEP) for proposed activities at the Rolling Knolls Landfill Superfund Site (the site) located at the southern end of Britten Road, south of Green Village in Morris County, New Jersey. The proposed activities will support ongoing remedial investigation conducted under United States Environmental Protection Agency (USEPA) oversight, and in accordance with the September 30, 2005 Administrative Settlement Agreement and Order on Consent between the USEPA and the Rolling Knolls Landfill Settling Parties (Comprehensive Environmental Response, Compensation, and Liability Act [CERCLA] Docket No. 02-2005-2034). The site's USEPA ID number is NJD980505192.

Consistent with the CERCLA process, this GP-14 Equivalency fulfils the substantive requirements set forth in New Jersey Administrative Code (N.J.A.C.) 7:7A – Freshwater Wetlands Protect Act Rules. As such, permit application fees are omitted from this package. The remaining components demonstrate compliance with the applicable sections of N.J.A.C. 7:7A.
